We are required to conduct our business and dealings with you in accordance with the rules of the FSA (the “FSA Rules”).

Please read these Terms of Business carefully as they contain important information concerning your and FXCM’s rights and obligations in relation to the services we agree to provide you. Please let FXCM know as soon as possible if there is anything which you do not understand.

- 1.2 **Our capacity:** We will deal with you as principal unless we inform you that we are dealing with you as agent generally or with respect to any Transaction or class of Transactions and every order which we may take is accepted and executed on the basis that we act on our own account as principal and not as your agent.
- 1.3 **Your capacity:** You will enter into Transactions as principal unless otherwise agreed in writing by us.
- 1.4 **Language of Communications:** You may communicate with us in English. All FXCM standard documents will be available in English. If a document is translated into another language this will be for information purposes only and the English version will prevail.

- 1.6 **Amendments:** These Terms of Business may be amended from time to time as set out in clause 27.1. Any amendments to these Terms of Business shall be deemed accepted if and when you place an order with us after the date on which the changes become effective.
- 1.7 **Duty to you:** Nothing in these Terms of Business shall exclude or restrict any duty or liability owed by us to you under the Financial Services and Markets Act 2000 (the “Act”) or FSA Rules. - 1.9 **Investments:** The particular Investments which are available to trade from FXCM are listed on the FXCM Online Facility and updated from time to time. These Terms of Business govern your relationship with FXCM for all Investments traded with FXCM.

2. Warnings

- 2.1 Margined trading carries a high risk. Please note:
- (a) you may sustain a total loss of initial margin funds and any additional funds deposited with FXCM to maintain your position, in addition to any liability detailed in Section 26.7;
 - (b) you may not be responsible for debit balances directly resulting from trading activity, except in the case of a force majeure as detailed in Section 26.6;
 - (c) if the market moves against your position or margin levels are increased you may be called upon to pay substantial additional funds on short notice to maintain your position;
 - (d) if you fail to comply with a request for additional funds within the time prescribed, FXCM in its sole discretion may liquidate any or all of your positions at a loss;
 - (e) whether you make a profit or a loss will depend on fluctuations in the underlying security or commodity which are outside FXCM’s control;

- (f) you transfer full title in and/or ownership of a portion or all of the money you deposit with FXCM shall be transferred to FXCM to the extent it represents an amount necessary to secure your open positions or cover your actual or future contingent or prospective obligations (which will be calculated daily in FXCM's sole discretion based on your daily open positions and trading and which may be greater than the Margin required to maintain your open positions, as market conditions may dictate) such that you will not have a proprietary claim over that portion or any of your money deposited and FXCM can deal with it on its own right. When money received by FXCM from you is no longer required to secure your open positions or cover your actual or future contingent or prospective obligations to FXCM, full title and ownership of the money will be transferred back to you.

2.2 You should read the General Risk Disclosure Notice at Schedule 2.

2.3 You must make an independent decision as to whether or not to enter into Margined Transactions with FXCM on our Terms of Business. Please note:

- (a) FXCM does not provide advice, FXCM will not advise on the merits or otherwise of your Margined Transactions;
- (b) the decision to place a Margined Transaction is yours alone. You (and not FXCM) are responsible for the effect a Margined Transaction might have on any open positions;
- (c) we deal with you on an execution only basis at all times;
- (d) we do not execute orders on your behalf, we simply provide a quote for a particular product and then deal as principal, and therefore do not offer best execution in accordance with FSA Rules, as detailed in Section 17.8 and 17.9 of these Terms of Business.

4. Client Classification

- 4.1 For the purposes of the services provided by FXCM under these Terms of Business we will act as principal and not as agent on your behalf. We shall treat you as a Retail Client, subject to the following:
- (a) if you satisfy the definition of Professional Client or Eligible Counterparty, we may notify you that we will treat you as such and the terms detailed in Schedule 1 shall apply; and
 - (b) you may request a different client classification from the one we have allocated to you, but please be aware that we may decline such a request. If you do request a different categorization and we agree to such a request, you may lose the protection afforded by certain FSA Rules, a summary of these lost protections can be found in Schedule 1. This may include, but is not limited to:
 - (i) the requirement for us to act in accordance with your best interests;
 - (ii) our obligation to provide appropriate information to you before providing our services;
 - (iii) the restriction on the payment or receipt by us of any inducements;
 - (iv) our obligation to achieve best execution in respect of your orders;
 - (v) the requirement to implement procedures and arrangements which provide for the prompt, fair, and expeditious execution of your orders;
 - (vi) our obligation to ensure that all information we provide to you is fair, clear and not misleading; and
 - (vii) the requirement that you receive from us adequate reports on the services provided to you.

5. Risk of Investment

At Schedule 2 of these Terms of Business you are provided with a General Risk Disclosure Notice (“Risk Notice”) in compliance with the rules of the FSA. This Risk Notice sets out the particular investment risks of investing in complex financial instruments (namely, Margined Transactions). Your execution of this document will be treated as your informed acknowledgment that you have carefully read and are prepared to accept the risks outlined in the Risk Notice. If there is anything you do not understand it is recommended that you seek specialist independent financial and/or legal advice, in particular, regarding the suitability of complex financial instrument trading.

5.1 REFERRAL RISK DISCLOSURE

Please note that this section 5.1, is applicable only if your account was referred to FXCM by a referring broker.

FXCM AND A REFERRING BROKER ARE WHOLLY SEPARATE AND INDEPENDENT FROM ONE ANOTHER. YOUR AGREEMENT BETWEEN FXCM AND A REFERRING BROKER DOES NOT ESTABLISH A JOINT VENTURE OR PARTNERSHIP AND A REFERRING BROKER IS NOT AN AGENT OR EMPLOYEE OF FXCM.

- (a) We do not control, and cannot endorse or vouch for the accuracy or completeness of any information or advice you may have received or may receive in the future from a referring broker or from any other person not employed by us regarding Margined Transactions or the risks involved in such trading.
- (b) We provide risk disclosure information to all new clients when they open accounts. You should read that information carefully, and should not rely on any information to the contrary from any other source.
- (c) By executing this document you acknowledge that no promises have been made by us or any individual associated with us regarding future profits or losses in your account. You understand that Margined Transaction trading is very risky, and that many people lose money trading.
- (d) If a referring broker or any other third party provides you with information or advice regarding Margined Transactions, we will not be responsible for any loss to you resulting from your use of such information or advice.
- (e) To the extent you have previously been led to believe or currently believe that utilising any third party trading system, course, program, research or recommendations provided by a referring broker or any other third party will result in trading profits, you hereby acknowledge, agree and understand that all Margined Transactions, including trading done pursuant to a system, course, program, research or recommendations of a referring broker or another third party involves a substantial risk of loss. In addition, you hereby acknowledge, agree and understand that the use of a trading system, course, program, research or recommendations of a referring broker or another third party will not necessarily result in profits, avoid losses or limit losses.
- (f) You understand that a referring broker and many third party vendors of trading systems, courses, programs, research or recommendations are not regulated by a government agency.
- (g) Because the risk factor is high in Margined Transaction trading, only genuine "risk" funds should be used in such trading. If you do not have the extra capital that you can afford to lose, you should not trade in Margined Transactions.
- (h) You understand and acknowledge that we may compensate a referring broker for introducing you to us and that such compensation may be on a per-trade basis or other basis. Such compensation to a referring broker may require you to incur a mark-up, above and beyond the ordinary spread generally provided by us. Furthermore, you have a right to be informed of the precise nature of such remuneration.
- (i). We do not endorse or vouch for the services provided by a referring broker. Since a referring broker is not our employee or agent, it is the account holder's responsibility to perform necessary due diligence on a referring broker prior to using any of their services.
- (j). You understands and agree that if your account with us is introduced by a referring broker that referring broker may be provided access to certain personal information about you as well as certain information concerning trading activity in your account with us. In the event that a referring broker is appropriately authorised by a regulatory body, you agrees that referring broker may be provided with a copy of your application. A referring broker shall not have the right to enter into any trades on your account with us unless specifically authorised by you through execution of a limited power of attorney granting referring broker authority to make trading decisions for your account.

Should you have any questions regarding the risks of trading Margined Transactions, please contact your account representative.

6. **Applicable Regulations, Market And Stock Exchange Requirements**

- 6.1 **Subject to Applicable Regulations:** These Terms of Business and all Transactions are subject to Applicable Regulations so that: (i) if there is any conflict between these Terms of Business and any Applicable Regulations, the latter will prevail; and (ii) we may take or omit to take any action we consider necessary to ensure compliance with any Applicable Regulations and whatever we do or fail to do in order to comply with them will be binding on you.

- 6.2 **Market, Price Providing Bank, and Stock Exchange action:** If a Market, price providing bank, or Stock Exchange (or intermediate broker or agent, acting at the direction of, or as a result of action taken by, a Market or Stock Exchange) take any action which affects a Transaction, then we may take any action which we, at our discretion, consider desirable to correspond with such action or to mitigate any loss incurred as a result of such action. Any such action shall be binding on you.

Our Services

- 7.1 **Execution only:** We deal with you on an execution-only basis and will not make personal recommendations or advise on the merits of purchasing, selling or otherwise dealing in particular Investments or executing particular Transactions, their taxation consequences or the composition of any account or any other rights or obligations attaching to such Investments or Transactions. You should bear in mind that merely explaining the terms of a Transaction or Investments or its performance characteristics does not itself amount to advice on the merits of the investment.
- 7.2 **Incidental information:** Where we do provide general trading recommendations, market commentary, guidance on shareholding disclosure or other information:
- (a) this is incidental to your dealing relationship with us. It is provided solely to enable you to make your own investment decisions and does not amount to a personal recommendation or to advice;

- 8.3 If you direct FXCM to enter into any Currency Transaction:
- (a) any profit or loss arising as a result of a fluctuation in the exchange rate affecting such Currency will be entirely for your account and risk;
 - (b) FXCM is authorised to convert funds in your Account for Margin into and from such foreign currency at a rate of exchange determined by FXCM on the basis of the then prevailing money market rates. In such circumstances, FXCM will not be liable to you for any loss suffered by you as a result of such action (although, FXCM will use reasonable endeavours to only convert such funds as may prudently be required to cover the position in respect of the relevant transaction).
- 8.4 **Payments and deliveries net:** Unless we give you written notice to the contrary, all payments and deliveries between us shall be made on a net basis and we shall not be obliged to deliver or make payment to you or both (as the case may be) unless and until we have received from you the appropriate documents or cleared funds.
- 8.5 **Remuneration and sharing charges:** We may receive remuneration from, or share charges with, an Affiliate or other third party in connection with Transactions carried out on your behalf. Details of such remuneration or sharing arrangements will be made available to you on written request.
- 8.6 **Dormancy Fee:** If there are no filled Orders in your account for at least one (1) year, you will be subject to a dormant account fee (the "Fee"), in return for administrative and information services and/or access provided by

FXCM to active accounts. The Fee will be equal to the lesser of the remaining balance in your account or 50.00 units of the currency in which your account is denominated (JPY 5,000 for JPY denominated accounts). You will be subject to the Fee on a yearly basis thereafter if the conditions stated above are met. If you are assessed the Fee and your account balance becomes zero (0), your account will automatically be closed.

8.7 **Active Trader Fee:** If you choose to use FXCM's Active Trader Platform, you agree to pay a commission charge of fifty U.S. dollars (\$50 USD) per million base currency traded, per side.

9. Taxes

9.1 You are responsible for all taxes (UK or foreign) that may arise in relation to a Transaction, whether under current or changed law or practice. We shall have no responsibility for any of your tax liabilities, or for providing information or advice in respect of such liabilities and shall not be responsible for notifying you of a change in tax law or practice.

9.2 In the event that we become liable to pay any tax on your behalf arising from or incidental to Transactions executed by you with us you shall reimburse us on demand in full for the amount of such tax paid by us. In the event that we become liable to pay any stamp duty, stamp duty reserve tax or any other similar documentary tax or duty in any jurisdiction (collectively "Stamp Duty") in respect of any shares purchased or otherwise acquired by us or an Affiliate in order to hedge any Margined Transaction between us and you, you shall reimburse us on demand in full for the amount of such Stamp Duty paid by FXCM.

9.3 You shall indemnify us (the "Indemnified Party") and keep the Indemnified Party indemnified from and against all costs, claims, demands and expenses arising in connection with (i) any failure by you to reimburse the Indemnified Party in accordance with clause 9.1 and 9.2 of these Terms of Business and (ii) any late payment or non-payment of any tax or Stamp Duty payable by you in respect of Transaction executed by you with the Indemnified Party.

- 11.1 **Conflicts Policy.** We are required to have arrangements in place to manage conflicts of interest between us and our clients and between different clients. We operate in accordance with a conflicts of interest policy we have put in place for this purpose under which we have identified those situations in which there may be a conflict of interest, and in each case, the steps we have taken to manage that conflict. A summary of our conflicts policy is available on the FXCM Online Facility [Retail Clients only]. Further details of this will be provided on request.

- 11.2 **Disclosure to you.** We shall not be obliged to disclose to you or take into consideration any fact, matter or finding which might involve a breach of duty or confidence to any other person, or which comes to the notice of any of our directors, officers, employees or agents but does not come to the actual notice of the individual or individuals dealing with you.

12. Market Abuse

- 12.1 **Market abuse.** By entering into any Transaction you represent and warrant that you will act in accordance with the Act and any Applicable Regulations, you are not acting in any way which is intended to or may be considered to be "Market Abuse" a defined term in the Act, nor are you acting with the intention of contravening any other provision of the Act, the FSA Rules, or any other Applicable Regulation.

13. Account Opening

- 13.1 An Account must be opened prior to entering into any Transaction with FXCM. No Orders can be placed until an Account has been opened and cleared funds received. Without prejudice to the foregoing, if FXCM permits you to place an Order notwithstanding that an Account has not been opened, or cleared funds received, this shall not limit your liability to FXCM pursuant to these Terms of Business in respect of the Order placed. FXCM may, at its absolute discretion, refuse to accept you as a client for whatever reason but will notify you of any such refusal, without giving any reasons, promptly following your application.

- 13.2 To assess your credit worthiness, manage credit risk and to prevent fraud (or other criminal activity) you acknowledge and agree that we may:

- (a) make periodic searches and enquiries about you and any Related Party at credit reference agencies, and your employers, if applicable;
- (b) disclose information to organisations involved in fraud prevention; and
- (c) obtain information from and disclose information to other broker-dealers or investment managers which deal in or manage investments for you concerning any payment or security default or concerning any investment which is related to or connected with Margined Transactions which you seek to open with us.

- 13.3 Any limits for your Account (including any credit limits) will be set and varied from time to time with regard to your credit status and, where applicable, the amount of funds deposited by you with us which may, in its sole discretion apply a limit to:

- (a) the size of any Transaction or series of Transactions that you may enter into; and
- (b) the amount of any loss or liability to which you may be exposed.

- 13.4 Account limits do not limit or represent your liability for losses to FXCM, and the funds you may have from time to time on deposit with us as Margin or otherwise do not represent any limit upon your financial liability to us.

14. Account Payments

- 14.1 **Payment:** We will only accept deposits from you by an approved credit card, crossed cheque, BACS, telegraphic transfer and SWIFT. No cash will be accepted. Payments may be denominated in UK Pounds Sterling, US Dollars, Euros, or any other Currency agreed in advance with us.
- 14.2 **Payment Terms:** You agree to make payments due to us under these Terms of Business in accordance with the following terms:
- (a) all electronic or telegraphic transfer or other bank fees in respect of payment by you shall be your sole responsibility;
 - (b) if any payment is not received by us on the due date for payment then, without limitation of any other rights which we may have, we will be entitled to charge interest on the overdue amount (both before and after judgment) at the Interest Rate from the date payment was due until the actual date of payment;
 - (c) if you make a payment by an approved credit card and then request that payment to be returned to the approved credit card, please note that we reserve the right to charge an administration fee (details of which are available on request);
 - (d) you shall pay to us on demand in a full indemnity basis all costs, charges, and expenses incurred by us in relation to any overdue payment (including any referral fees);
 - (e) any payment made to us will only be deemed to have been received when we receive cleared funds; and
 - (f) it is your responsibility to ensure that payments made to us are correctly designated in all respects.
- 14.3 **Payment Withheld:** If the statement of your Account shows a credit balance, you may request us to send you a cheque or effect payment by alternative means in respect of such amount. However, we may at our discretion elect to withhold (or if applicable, deduct) any payment requested (in whole or in part) due to you if:
- (a) open Margined Transactions on the Account show notional losses;
 - (b) we reasonably consider that funds may be required to meet any current or future margin requirement on open Margined Transactions due to underlying market conditions;
 - (c) you have any contingent liability to us or to any of our affiliates in respect of any other account you have opened with them; and/or
 - (d) we reasonably determine that there is an unresolved dispute between us in connection with these Terms of Business or any related contract.
- 14.4 **Base currency:** You shall designate a base currency of your Account which shall either be UK Pounds Sterling, US Dollars, Euros, or any other currency agreed in advance with us (the "Base Currency"). Any sums deposited in your Account, if in a Currency other than the Base Currency of the Account, may be converted to that Base Currency at the prevailing conversion rate as designated by us unless alternative instructions from you are accepted by us. If any interest costs, commission and other charges to be debited to your Account are in a currency other than the Base Currency they may be converted to that Base Currency at the prevailing conversion rate as designated by us.
- 14.5 All payments from your Account will be made on your request in the Base Currency of that Account unless another Currency is agreed in advance between you and us and may be made in the form of a return payment to a credit card, crossed cheque naming you, via BACS transfer, Telegraphic Transfer or SWIFT. We shall not be obliged to make any payment to you unless your cash balance remaining after making the payment would be sufficient to cover your Margin and any unrealised losses in relation to your open Margined Transactions.
- 14.6 No instructions to pay a third party from your Account will be accepted by us unless otherwise agreed in writing by us.
- 14.7 In the event the applicable paying agent declines to transfer funds from you to us for any reason then we may treat any Margined Transaction placed or entered into in reliance upon receipt of the funds as void and of no further effect and we shall be entitled to recover any losses arising from any such Margined Transaction from you.

- 14.8 Your cash balance:
- (a) will be credited from time to time with the amount of each payment of Margin and any other payment received by us from you pursuant to these Terms of Business; and
 - (b) will be debited by:
 - (i) the amount of each payment made by us to you at the your request pursuant to clause 14 of these Terms of Business; and
 - (ii) realised losses payable.
- 14.9 You hereby indemnify and hold us harmless against any costs or expenses (including all legal costs) which we may incur, either before or after the commencement of any legal action, to recover the requisite payment as a result of your failure to make payment within the stipulated period. We may convert money standing to your credit on your Account or paid by you to us or due to be paid by us from one currency to another at prevailing market rates available to us (after accounting for commissions or charges).

15. Margin

- 15.1 **Margin Arrangements:** As a condition of entering into a Margined Transaction, we may in our sole discretion require the deposit of funds or other collateral acceptable to us as security for payment of any losses incurred by you in respect of the Transaction ("Initial Margin"). Initial Margin is due and payable immediately as a condition to opening the relevant Margined Transaction and we may decline to open any Margined Transaction if you do not have sufficient available cash in your Account to satisfy the Initial Margin required for that Transaction at the time the relevant Order is placed.
- 15.2 Margin requirements may be set and varied without prior notice from time to time at our discretion including without limitation subsequent variation of any Margin rates set at the time that a Margined Transaction is opened ("Variation Margin" and together with Initial Margin, "Margin").
- 15.3 **Form of Margin:** Margin shall be provided by or on behalf of you in cash or collateral acceptable to us as determined by us in our absolute discretion. You must inform us immediately if you cannot, or believe you will not be able to, meet a Margin payment when due. You are obligated to maintain in your account, at all times, sufficient funds to meet all Margin requirements. We are not obliged to make Margin Call Warnings of you at all or within any specific time period. You may by agreement with us satisfy a Margin Call Warning by providing collateral in a form acceptable to us. In addition we shall be entitled to treat any assets deposited with us by you from time to time (other than assets deposited for safe custody only) as collateral against your Margin requirements. In all cases we shall be entitled in our sole discretion to determine the value of any collateral deposited with us.
- 15.4 We are entitled to require payment of Margin of you (whether resident in the UK or in another jurisdiction) by telegraphic transfer or any other method of immediate/electronic funds transfer acceptable to us. Only funds received net of any bank charges, which relate to the transfer, will be credited as paid.
- 15.5 **Close-out:** In the event that there is insufficient Margin in your Account or in the event that the deposited Margin is not sufficient to meet the required Margin rates, as determined by us in accordance with clause 15.2 of these Terms of Business, we may in our sole discretion choose to close or terminate your Margined Transaction immediately, without notice to you. Subject to clauses 15.6 and 15.8 of these Terms of Business, this will not constitute an Event of Default. If we choose not to close or terminate your Margined Transaction, we may make a Margin Call Warning in accordance with clause 15.7 of these Terms of Business.
- 15.6 Without prejudice to the foregoing, any Transaction entered into by you or on your behalf which results in there being insufficient Margin to cover any actual or anticipated losses or liabilities in connection with your Account will constitute an Event of Default and we may in our discretion exercise our rights in clause 22 of these Terms of Business, whether there has been a Margin Call Warning or not.
- 15.7 **Margin Call Warnings:** Notwithstanding the fact that we are not obliged to make Margin Call Warnings prior to liquidating your Margined Transactions if you fail to maintain sufficient funds to meet the Margin requirements, Margin Call Warnings may be made at any time by telephone, telephone answering machine message, voice mail, letter, fax, e-mail or any other means of electronic communication. Therefore you must notify us immediately and provide alternative contact details to ensure Margin Call Warnings can be made if you will not be contactable at your usual contact details provided, e.g. when you are travelling or on holiday. Any Margin Call Warnings we make of you may

be made by any method of communication listed above. We shall be deemed to have made a Margin Call Warning if we notify you electronically via the FXCM Online Facility. We shall not be liable for any failure by us to contact you or attempt to contact you. Should we decide to make a Margin Call Warning, the terms and conditions of the Margin Call Warning will be detailed within the Margin Call Warning and we reserve the right to change the terms and conditions of any Margin Call Warning based on market conditions, without notice to you. If we make a Margin Call Warning, in no way does this waive our right to liquidate your Margined Transactions as detailed in Section 15.5.

- 15.8 Any payment made by or on your behalf in satisfaction of a Margin Call Warning must be received by us within the time specified within the Margin Call Warning. We may in our sole discretion close or terminate your Margined Transactions without notice to you immediately and decline to enter into any further Margined Transactions with you if you fail to honour any Margin Call Warning and this shall constitute an Event of Default and we may exercise our rights in clause 22 of these Terms of Business.
- 15.9 You acknowledge that under FSA Rules, we may be obliged, in the absence of formal arrangements to the contrary, to close your Margined Transaction in the event that a Margin Call Warning remains unsatisfied after a period of five (5) Business Days.
- 15.10 **Title Transfer:** You acknowledge and agree that title in and/or ownership of a portion or all of the money you deposit with FXCM shall be transferred to FXCM to the extent it represents an amount necessary to secure your open positions or cover your actual or future contingent or prospective obligations (which will be calculated daily in FXCM's sole discretion based on your daily open positions and trading and which may be greater than the Margin required to maintain your open positions, as market conditions may dictate) such that you will not have a proprietary claim over that portion or any of your money deposited and FXCM can deal with it on its own right. When money received by FXCM from you is no longer required to secure your open positions or cover your actual or future contingent or prospective obligations to FXCM, full title and ownership of the money will be transferred back to you.
- 15.11 **Security interest:** As a continuing security for the performance of all your obligations (whether actual or contingent, present or future) to us under or pursuant to these Terms of Business ("**Secured Obligations**") you grant to us, with full title guarantee, a first fixed security interest in all non-cash Margin now or in the future provided by you to us or to our order or under our direction or control or that of an Exchange or Market or otherwise standing to the credit of your account under these Terms of Business or otherwise held by us or our Affiliated Companies or our nominees on your behalf.
- 15.12 **Further assurance:** You agree to execute such further documents and to take such further steps as we may reasonably require to perfect our security interest over, be registered as owner of or obtain legal title to the Margin, secure further the Secured Obligations, enable us to exercise our rights, or to satisfy any market requirement.
- 15.13 **Substitution:** You may not withdraw or substitute any property subject to our security interest without our consent.
- 15.14 **Negative pledge:** You undertake neither to create nor to have outstanding any security interest whatsoever over, nor to agree to assign or transfer, any of the Margin transferred to us, except a lien routinely imposed on all Securities in a clearing system in which such Securities may be held.
- 15.15 **Power to charge:** You agree that we may, free of any adverse interest of yours or any other person, grant a security interest over Margin provided by you to cover any of our obligations to an intermediate broker Market or Exchange, including obligations owed by virtue of the positions held by us or another of our customers.
- 15.16 **Power of sale:** If an Event of Default occurs, we may exercise the power to sell all or any part of the Margin. The restrictions contained in Sections 93 and 103 of the Law of Property Act 1925 shall not apply to these Terms of Business or to any exercise by us of our rights to consolidate mortgages or our power of sale. We shall be entitled to apply the proceeds of sale or other disposal in paying the costs of such sale or other disposal and in or towards satisfaction of the Secured Obligations.
- 15.17 **General lien:** In addition and without prejudice to any rights to which we may be entitled under these Terms of Business or any Applicable Regulations, we shall have a general lien on all property held by us or our Affiliates or our nominees on your behalf until the satisfaction of the Secured Obligations.
- 15.18 Any action taken by us in connection with or pursuant to a Margined Transaction by us at a time at which any Event of Default specified in clause 22 of these Terms of Business has occurred (whether or not we have knowledge thereof) shall be entirely without prejudice to our right to refuse any further performance thereafter, and shall not in any circumstances be considered as a waiver of that right or as a waiver of any other rights of ours should any such Event of Default have occurred.

Order Placement

16. Online Access

- 16.1 **Access Code:** In order to use the FXCM Online Facility you will need to request a username and password ("Access Code") from FXCM. You will need to provide the Access Code each time you wish to use the Online Facility.
- 16.2 In relation to the Access Code you acknowledge and undertake that:
- (a) you will be responsible for the confidentiality and use of your Access Code.
 - (b) other than with our prior written consent, you will not disclose your Access Code to persons other than your Authorised Representatives for any purpose whatsoever.
 - (c) FXCM may rely on all instructions, orders and other communications entered using your Access Code, and you will be bound by any transaction entered into or expense incurred on your behalf in reliance on such instructions, orders and other communications; and
 - (d) you will immediately notify us if you become aware of the loss, theft or disclosure to any third party or of any unauthorised use of your Access Code.
- 16.3 If FXCM believes that your Access Code is being used without your knowledge by unauthorised persons, we may without prior notice suspend your rights to use the FXCM Online Facility. Further, if FXCM believe that you have supplied your Access Code to other persons in breach of clause 16.2(b) of these Terms of Business, then we may terminate these Terms of Business forthwith.

17. Instructions and Basis of Dealing

- 17.1 **Placing of instructions:** Unless otherwise agreed by FXCM all Orders for execution of Transactions between you and FXCM must be given to us electronically through the FXCM Online Facility or by telephoning our affiliate, Forex Capital Markets LLC, who will receive and transmit your Order to us for execution. Employees of Forex Capital Markets LLC will not be regulated by the FSA pursuant to an FSA overseas exemption, and are thus not required to offer best execution. Forex Capital Markets LLC is only responsible for arranging the execution of Orders placed by telephone and acts as an agent on your behalf. FXCM will still be your principal to any Transaction arranged by Forex Capital Markets LLC. FXCM will take responsibility, and be liable, for all conduct of Forex Capital Markets LLC and its employees. The charges, remuneration and commission receivable by FXCM set out in these Terms of Business and other documents we may direct you to, will not differ because of your involvement with Forex Capital Markets LLC.
- 17.2 **Communication of Orders:** Orders by telephone will only be accepted by Forex Capital Markets LLC during specified hours which will be notified to you from time to time. Forex Capital Markets LLC may impose more restrictive time limits on when orders may be placed. When you place an order by telephone, you can do so only by talking directly to a broker of Forex Capital Markets LLC. No messages may be left, and no orders may be placed using answer phone or voicemail facilities or by facsimile. All telephone calls are recorded for the purposes of fraud prevention and quality control and by agreeing to these terms and conditions you agree to the recording of such telephone conversations.
- 17.3 Any Order to execute a Transaction shall not take effect unless actually received by FXCM. FXCM shall be entitled to rely upon any instruction given or purporting to be given by you or any other person on your behalf without further enquiry as to the genuineness, authority or identity of any such person giving or purporting to give such instructions.
- 17.4 FXCM may, at its discretion refuse to accept any Order from you but will notify you of any such refusal, without giving any reasons, promptly following receipt of your instructions. FXCM may cancel any instructions previously given by you provided that FXCM has not acted on your instructions. Acceptance of your Order will be evidenced by FXCM's confirmation of that Order. The validity of any Order shall not, however, be affected by you not receiving confirmation of an Order. Acceptance of any Order does not constitute any agreement or representation that your initial Margin or Margin requirement in respect of the Order or your existing Order is satisfied.
- 17.5 **Regulated Market:** You acknowledge and agree that by executing the signature page of these Terms of Business that you have given us your prior express consent to execute all Orders outside a regulated market or multi-lateral trading facility (as such terms are defined by FSA Rules.)

- 17.6 **Confirmations:** FXCM may post confirmations on-line, which you will be able to access using the FXCM Online Facility. FXCM will post details of your Account activity on-line and you will be able to generate daily, monthly and yearly reports of Account activity as well as reports of each executed trade. Updated Account information will be available no more than twenty-four hours after any activity takes place on your Account. Posting of Account information on your on-line Account will be deemed delivery of confirmation and Account statements. Account information will include trade confirmations with ticket numbers, purchase and sale rates, used Margin, amount available for Margin trading, statements of profits and losses, as well as current open or pending positions and any other information as required by FSA Rules. Please notify us if you wish to receive confirmations in hard copy or by e-mail rather than through the FXCM Online Facility. Confirmations shall, in the absence of manifest error, be conclusive and binding on you, unless we receive from you objection in writing within three (3) Business Days of dispatch to you or we notify you of an error in the confirmation within the same period.
- 17.7 **Intermediate brokers and other agents:** We may, at our entire discretion, arrange for any Transaction to be effected with or through the agency of an intermediate broker, who may be an Affiliate of ours, and may not be in the United Kingdom. Neither we nor our respective directors, officers, employees or agents will be liable to you for any act or omission of an intermediate broker or agent. No responsibility will be accepted for intermediate brokers or agents selected by you.
- 17.8 **No Best Execution:** We will deal with you as principal in relation to any Orders and we will not act as your agent or act on your behalf in relation to any Orders. Rather, we will provide you with a price quote and you may place an Order on the basis of that price quote. Accordingly, we do not owe you any obligation of best execution and do not agree to obtain the best possible price for you. In this regard, we shall not be obliged to comply with the FSA Rules on best execution.
- 17.9 If we execute any Orders on your behalf, such as executing Orders as your agent, such Orders will be executed in compliance with the FSA's best execution rules and in accordance with our Order Execution Policy, a copy of which we have separately provided on the FXCM Online Facility, which may be amended from time to time. Each time you enter an Order you are deemed to have agreed to our Order Execution Policy.
- 17.10 **Aggregation of orders:** To the extent that we expressly agree in writing to execute Orders on your behalf in accordance with clause 17.9 of these Terms of Business, we may combine your Order with any Orders of our own and Orders of other customers. By combining your Orders with those of other customers we must reasonably believe that this is in the overall best interests of our customers. However, on occasions aggregation may result in you obtaining a less favourable price. Where we aggregate your Order with Orders of other customers, you agree that allocation of the investments concerned may be done within a period of five (5) Business Days after the Order has been filled. Where an Order for a particular customer has been aggregated with Orders for another customer, we will take great care to ensure a fair allocation of Investments available across those Orders. Where there is an insufficient quantity of Investments available to fill all Orders any allocation undertaken by us will be:
- (a) completely even across all interested parties;
 - (b) take account of the time of receipt of an Order such that Orders are allocated in due turn; or
 - (c) take account of the size of each Order with allocation being in proportion to the relative Order sizes.
- 17.11 **Execution Errors:** All orders executed by FXCM should be displayed on FXCM's Online Facility. Any failure or delay in any order being displayed on FXCM's Online Facility shall not affect the validity of the order. If FXCM has executed an order, but it is not displayed, it is solely your responsibility to make further inquiry of the FXCM Online Facility to obtain confirmation of the execution of the order. Any failure or delay by you in contacting FXCM shall not affect the validity of any order. Once an order has been executed, you should be deemed to have entered into a corresponding contract with FXCM whether or not the corresponding order is displayed on the FXCM Online Facility.
- 17.12 If you incorrectly or erroneously submit an order, which is executed, you shall notify FXCM of the error immediately upon becoming aware of the error. You shall also notify FXCM at the same time whether you wish FXCM in respect of the error trade to either:
- (a) maintain the contract in your name with FXCM in the same size and at the same price as the executed order; or
 - (b) reverse the executed order.

18. Appropriateness

- 18.1 Before accepting any Order, you must record your investment knowledge and experience in the Account Opening Forms.
- 18.2 On the basis of this information and in accordance with the Applicable Rules we will assess whether opening an Account is appropriate for you. We will not be able to take your borrowings or leverage into account in assessing your investment risk appetite or capacity. You should be aware that leverage may dramatically increase the risk of investments, particularly where large positions can be taken in reliance on a small amount of initial Margin, as is common when dealing in Margined Transactions. Where you are classified as a Professional Client we will make certain assumptions about the appropriateness of the service provided, and we are entitled to assume that you have the requisite knowledge and experience in the relevant investment field. If you do not consider this to be the case, you must make us aware of this prior to the provision of the service and provide us with any available information as to the level of your knowledge and experience. It is your responsibility to inform us in writing of any information which might reasonably indicate that this assessment should be changed.

19. Client Money

- 19.1 Any money received by FXCM in respect of your Account with FXCM shall be treated as "Client Money" in accordance with the then applicable FSA's Client Money Rules except where you transfer full ownership of money to FXCM for, amongst other things, the purpose of security or otherwise covering present or future, actual or contingent or prospective obligations, such as margin, in which circumstances such money will not be regarded as Client Money.
- 19.2 A portion or all of the money you deposit with FXCM shall be transferred to FXCM to the extent it represents an amount necessary to secure your open positions or cover your actual or future contingent or prospective obligations (which will be calculated daily in FXCM's sole discretion based on your daily open positions and trading and which may be greater than the Margin required to maintain your open position, as market conditions may dictate) is taken by FXCM on terms that you transfer full ownership and title to that money to FXCM for the purposes of securing your present, future, actual, contingent or prospective obligations to FXCM and such that you will not have a proprietary claim over that portion or any of your money and that portion will not be segregated. You will not have a proprietary claim on the above described portion or any of your money and FXCM can deal with the above described portion or any of your money on its own account.
- 19.3 In relation to Client Money:
- (a) unless you notify us in writing or otherwise, we may hold Client Money in a Client bank account opened with either an approved bank in the United Kingdom or in any other country. Your Client Money may therefore be held outside the United Kingdom and in such circumstances the legal and regulatory regime applying to the approved bank with which your bank account is opened will be different from that of the United Kingdom;
 - (b) unless you request us in writing or otherwise, we intend to hold Client Money in a FXCM Client Money bank account in the United Kingdom;
- 19.4 In respect of clause 19.2 (a) we will request that the applicable bank provide the acknowledgement required by FSA's Rules provided that in the case of a Client bank account in the United Kingdom, if the bank does not provide such acknowledgement within twenty (20) Business Days after we have dispatched the notice, we will (a) notify you of such fact and (b) withdraw all money standing to the credit of the account and deposit it in a Client bank account with another bank as soon as possible. Unless specifically agreed to the contrary we will not pay you interest on Client Money or any other unencumbered funds.
- 19.5 Unless you notify us in writing or otherwise, we may allow another person, such as an exchange, a clearing house or an intermediate broker, to hold or control Client Money where we transfer the Client Money (a) for the purposes of a transaction for you through or with that person; or (b) to meet your obligations to provide collateral for a Transaction (e.g. an initial margin requirement for a derivative transaction).
- 19.6 You consent to us releasing any Client Money balances, for or on your behalf, from client bank accounts and for us to treat as Client Money any unclaimed Client Money balance where:
- (a) we have determined that there has been no movement on your balance for a period of six (6) years (notwithstanding any payments or receipts of charges, interest or similar items); and

- (b) we have written to you at your last known address informing you of our intention of no longer treating that balance as Client Money, giving you twenty-eight (28) days to make a claim, provided we:
 - (i) shall make and retain records of all balances released from your Client bank accounts; and
 - (ii) undertake to make good any valid claims against any released balances.

20. Net Payment

- 20.1 We may at any time set off any liabilities to make payment owed by us to you against any liability of yours to make payment to us.

- (h) you or any Credit Support Provider (or any Insolvency Officer acting on behalf of either of you) disaffirm, disclaim or repudiate any obligation under these Terms of Business or any guarantee, hypothecation agreement, margin or security agreement or document, or any other document containing an obligation of a

Neither of us shall be obliged to make any further payments or deliveries under any Transactions which would but for this clause, have fallen due for performance on or after the termination of any outstanding Transactions. We shall be entitled without prior notice to you:

- (a) instead of returning to you investments equivalent to those credited to your Account, to pay to you the fair Market value of such investments at the time we exercise such right;

- 22.3 We shall not lose any of our rights under this clause by reason of any delay on our part in the exercise thereof, but in no circumstance shall we be under any obligation under these clauses to exercise any such right or, if we do exercise any such right, to do so at a time or in a manner beneficial to you. We may at our absolute discretion close out Transactions either on a single or collective basis.
- 22.4 Where we exercise our right under this clause to close out a Transaction the closing out shall be effected by us in whole or in part at such time or times and at such price or prices as determined by us at our reasonable discretion. The amounts payable under the Transaction being closed out shall then be immediately due.
- 22.5 Where we exercise our right under this clause to realise any Investments or other assets of yours held by us, we shall be entitled to sell those Investments or assets at the market price (as determined by us in our reasonable discretion) at the time the sale takes place. With respect to each outstanding terminated Transaction we shall determine its total cost, loss or gain (including, if appropriate, any loss of bargain, cost of funding or other loss or gain as a result of the termination) and any net amount for all the outstanding terminated Transactions determined by us in accordance with the foregoing due either from you to us or from us to you shall be immediately payable upon its calculation. We shall not be obliged to make any payment or delivery scheduled to be made by us under a Transaction or these Terms of Business for as long as an Event of Default has occurred and is continuing.

At any time after the termination of these Terms of Business, we may, without notice, close out any of your open Transactions at the end of day Closing Price.

 - (a) all outstanding fees, charges and commissions;
 - (b) any dealing expenses incurred by terminating these Terms of Business; and

- (c) any losses and expenses realised in closing out any Transactions or settling or concluding outstanding obligations incurred by us on your behalf.

23.5 Termination shall not affect then outstanding rights and obligations (in particular those in clause 26 (Exclusions, Limitations and Indemnity), clause 27 (Miscellaneous) and clause 29 (Dispute Resolution) to these Terms of Business) and Transactions which shall continue to be governed by these Terms of Business and the particular clauses agreed between us in relation to such Transactions until all obligations have been fully performed.

24. **Manifest Errors**

24.1 A "Manifest Error" means a manifest or obvious misquote by us, or any Market, Stock Exchange, price providing bank, information source, commentator or official on whom we reasonably rely, having regard to the current market conditions at the time an Order is placed. When determining whether a situation amounts to a Manifest Error, we may take into account all information in our possession including, without limitation, information concerning all relevant market conditions and any error in, or lack of clarity of, any information source or announcement.

24.2 We will, when making a determination as to whether a situation amounts to a Manifest Error, act fairly towards you but the fact that you may have entered into, or refrained from entering into, a corresponding financial commitment, contract or Transaction in reliance on an Order placed with us (or that you have suffered or may suffer any loss of profit, consequential or indirect loss) shall not be taken into account by us in determining whether there has been a Manifest Error. We reserve the right, without prior notice, to:

- (a) amend the details of such a Transaction to reflect what we consider in our discretion, acting in good faith, to be the correct or fair terms of such Transaction absent such Manifest Error/s;
- (b) if you do not promptly agree to any amendment made under (a) herein we may void from its inception any Transaction resulting from or deriving from a Manifest Error; and/or
- (c) refrain from taking any action at all to amend the details of such a Transaction or void such Transaction.

24.3 We shall not be liable to you for any loss, cost, claim, demand or expense you suffer (including loss of profits or any indirect or consequential losses) resulting from a Manifest Error or our decision to enforce the details of a Transaction notwithstanding any Manifest Error, except to the extent caused by our own fraud, willful default or gross negligence. In the event that a Manifest Error is made by any Market, Stock Exchange, price providing bank, information source, commentator or official on whom we reasonably rely, we will not be liable to you for any loss, cost, claim, demand, or expense, except to the extent caused by our own fraud, willful default or negligence.

25. **Arbitrage**

25.1 Internet, connectivity delays, and price feed errors sometimes create a situation where the price displayed on the FXCM Online Facility do not accurately reflect the market rates. The concept of arbitrage and "scalping", or taking advantage of these internet delays, cannot exist in an OTC market where the client is buying or selling directly from the principal. FXCM do not permit the practice of arbitrage on the FXCM Online Facility. Transactions that rely on price latency arbitrage opportunities may be revoked, without prior notice. FXCM reserves the right to make the necessary corrections or adjustments on the Account involved, without prior notice. Accounts that rely on arbitrage strategies may at FXCM's sole discretion be subject to FXCM's intervention and FXCM's approval of any Orders. Any dispute arising from such quoting or execution errors will be resolved by FXCM in their sole and absolute discretion.

25.2 FXCM shall have no obligation to contact you to advise upon appropriate action in light of changes in market conditions or otherwise.

25.3 You agree to indemnify and hold FXCM, its Affiliates and any of their directors, officers, employees and agents harmless from and against any and all liabilities, losses, damages, costs and expenses, including legal fees incurred in connection with the provision of the services under these Terms of Business to you provided that any such liabilities, losses, damages, costs and expenses have not arisen for our gross negligence, fraud or willful default.

26. **Exclusions, Limitations and Indemnity**

26.1 Nothing in these Terms of Business shall exclude or restrict any duty or liability owed by us to you under the Act or the FSA Rules (as may be amended or replaced from time to time).

- 26.2 **General exclusion:** Except as set out in 26.1 above neither we nor our directors, officers, employees, or agents shall be liable for any losses, damages, costs or expenses (including direct, indirect, incidental, punitive, or consequential loss, loss of profits, lost data, loss of use of the FXCM Online Facility, business interruption, costs of substitute, services or downtime costs), whether arising out of negligence, breach of contract, misrepresentation or otherwise, incurred or suffered by you under these Terms of Business (including any Transaction or where we have declined to enter into a proposed Transaction) unless such loss arises directly from our respective gross negligence, willful default or fraud. In no circumstance shall our liability include losses suffered by you or any third party for any special damage, or loss of profits or loss of goodwill or reputation or loss of business opportunity arising under or in connection with these Terms of Business, whether arising out of negligence, breach of contract, misrepresentation or otherwise. Nothing in these Terms of Business will limit our liability for death or personal injury resulting from our negligence.
- 26.3 **Trading Losses:** For the avoidance of doubt, in no circumstances shall we be liable to you, or responsible, for any losses or other costs or expenses of any kind arising out of or in connection with the placement of Orders by you, or the execution of Transactions with us.
- 26.4 **Tax implications:** Without limitation, we do not accept liability for any adverse tax implications of any Transaction whatsoever.
- 26.5 **Changes in the market:** Without limitation, we do not accept any liability by reason of any delay or change in market conditions before any particular Transaction is effected.
- 26.6 **Force majeure:** Since we do not control signal power, its reception or routing via Internet, configuration of your equipment or reliability of its connections, we shall not be liable for any claims, losses, damages, costs or expenses, including attorney's fees, caused directly or indirectly, by any breakdown or failure of any transmission or communication system or equipment or computer facility or trading software, whether belonging to us, our Affiliates, you, any market, or any settlement or clearing system when you trade online (via Internet) or for any cause preventing us from performing any or all our obligations, any act of God, war, terrorism, malicious damage, civil commotion, industrial acts, any Exceptional Market Event, or acts and regulations of any governmental or supra national bodies or authorities which in our opinion prevent an orderly market in relation to your Orders (a "Force Majeure Event"). Upon the occurrence of a Force Majeure Event, we shall use commercially reasonable efforts to resume performance and we may give you written notice. Upon occurrence of a Force Majeure Event, all of our obligations under these Terms of Business shall be immediately suspended for the duration of such Force Majeure Event. Additionally, we may take any one or more of the following steps:
- (a) alter normal trading times;
 - (b) alter the Margin requirements;
 - (c) amend or vary these Terms of Business and any Transaction contemplated by these Terms of Business, insofar as it is impractical or impossible for us to comply with our obligations;
 - (d) close any or all open Transactions, cancel instructions and orders as we deem to be appropriate in the circumstances; and/or
 - (e) take or omit to take all such other actions as we deem to be reasonably appropriate in the circumstances having regard to the positions of yours, ours, and other customers.
- 26.7 **Indemnity:** Without prejudice to our rights in clause 15 of these Terms of Business, you shall pay to us such sums as we may from time to time require in any of your Accounts with us and, on a full indemnity basis, any losses, liabilities, costs or expenses (including legal fees), taxes, imposts and levies which we may incur or be subjected to with respect to any of your Accounts or any Transaction or any matching Transaction on a Market or with an intermediate broker or as a result of any misrepresentation by you or any violation by you of your obligations under these Terms of Business (including any Transaction) or by the enforcement of our rights. Notwithstanding anything to the contrary, you will be liable for any and all debit balances not directly resulting from trading activity.
- 26.8 You agree to indemnify and hold FXCM, its affiliates, employees, agents, successors and assigns harmless from and against all liabilities, losses, damages, costs and expenses, including attorney's fees resulting from use of programmable trading systems, whether built by you yourself or by any third party and executed on or using the FXCM Trading Station or any other trading platform offered by FXCM.

- 26.9 **Claims from your customers:** To the extent you have entered Orders for the account of your customers, you shall on demand indemnify, protect and hold us harmless from and against all losses, liabilities, judgements, suits, actions, proceedings, claims, damages and costs resulting from or arising out of claims raised by your customers. This clause shall not be affected by the termination of these Terms of Business.
- 26.10 **FXCM Online Facility:** Access to the FXCM Online Facility is provided "as is". FXCM makes no warranties, express or implied, representations, or guarantees as to the merchantability, fitness for any particular purpose or otherwise with respect to the FXCM Online Facility, its content, any documentation or any hardware or software provided. Technical difficulties could be encountered in connection with the FXCM Online Facility. These difficulties could involve, among others, failures, delays, malfunction, software erosion or hardware damage, which difficulties could be the result of hardware, software or communication link inadequacies or other causes. Such difficulties could lead to possible economic and/or data loss. In no event will FXCM or its Affiliates or any of their employees be liable for any possible loss (including loss of profit or revenue whether direct or indirect), cost or damage including, without limitation, consequential, unforeseeable, special or indirect damages or expense which might occur as a result of or arising out of using, accessing, installing, maintaining, modifying, de-activating or attempting to access the FXCM Online Facility or otherwise.
- 26.11 **Internet Failures:** Since FXCM does not control signal power, its reception or routing via Internet, configuration of your equipment or reliability of its connection, FXCM cannot be responsible for communication failures, distortions or delays when using the FXCM Online Facility.

COMPLEX PRODUCTS - GENERAL RISK DISCLOSURE NOTICE

This notice is provided to you in compliance with FSA Rules. This notice does not disclose all of the risks and other significant aspects of derivatives products such as futures and options. **You should not deal in derivatives unless you understand the nature of the contract you are entering into and the extent of your exposure to risk. You should also be satisfied that the contract is suitable for you in the light of your circumstances and financial position.**

Certain strategies, such as “spread” position or a “straddle”, may be as risky as a simple “long” or “short” position. Whilst derivatives instruments can be utilised for the management of risk, some investments are unsuitable for many investors. Different instruments involve different levels of exposure to risk, and in deciding whether to trade in such instruments you should be aware of the following points:

- (a) **Contracts for Difference** can be likened to futures which can be entered into in relation to the FTSE-100 index or any other index or share, as well as Currency. Spread Bets are a form of Contracts for Difference. However unlike other futures and options, these contracts can only be settled in cash. Investing in a CFD or a Spread Bet carries risks similar to investing in a future or an option and you should be aware of these. Transactions in CFD or a Spread Bets may also have a contingent liability and you should be aware of the implications of this as set out in paragraph (c) below.
- (b) **Investing in precious metals, rolling forex or currency options** carries similar risks as investing in a future and you should be aware of these. Transactions in precious metals, rolling forex or currency options may also have a contingent liability and you should be aware of the implications of this as set out in paragraph (d) below. In addition to standard industry disclosures contained in these Terms of Business, you should be aware that **marginied precious metals and currency trading are some of the riskiest forms of investment available in the financial markets and are only suitable for sophisticated individuals and institutions. Given the possibility of losing an entire investment, speculation in the precious metals or foreign exchange market should only be conducted with risk capital funds that if lost will not significantly affect your personal or institution's financial wellbeing.**

If you have pursued only conservative forms of investment in the past, you may wish to study precious metals or currency trading further before continuing an investment of this nature. **You must also realize that the limited risk in buying options means you could lose the entire option investment should the option expire worthless.** If you wish to continue with your investment, you acknowledge that the funds you have committed are purely risk capital and loss of your investment will not jeopardize your style of living nor will it detract from your future retirement program. Additionally, you fully understand the nature and risks of precious metals and currency investments, and your obligations to others will not be neglected should you suffer investment losses.

- (c) **Foreign markets.** Foreign markets involve different risks from UK markets. In some cases risks will be greater. The potential for profit or loss from transactions on foreign markets or in foreign currency will be affected by fluctuations in foreign exchange rates. Such enhanced risks include the risks of political or economic policy changes in a foreign media, which may substantially and permanently alter the conditions terms, marketability or price of a foreign currency.
- (d) **Risk reducing orders or strategies.** The placing of certain orders (e.g. “stop loss” or “stop limits” orders) that are intended to limit losses to certain amounts may not always be affected because market conditions or technological limitations may make it impossible to execute such orders. Strategies using combinations of positions such as “spread” and “straddle” positions, may be just as risky or even riskier than simple “long” or “short” positions.
- (e) **Prices.** The prices posted on the FXCM Online System may not necessarily reflect the broader market. We will select closing prices to be used in determining Margin requirements and in periodically marking to market the positions in customer accounts. Although we expect that these prices will be reasonably related to those available on what is known as the interbank market, prices we use may vary from those available to banks and other participants

in the interbank market. Consequently, we may exercise considerable discretion in setting margin requirements and collecting margin funds.

- (f) **Weekend risk.** Various situations, developments or events may arise over a weekend (Friday 16.30 EST – Sunday 18.00 EST) when the currency markets generally close for trading, that may cause the currency markets to open at a significantly different price from where they closed on Friday afternoon. Our customers will not be able to use the FXCM Online System to place or change orders over the weekend and at other times when the markets are generally closed. There is a substantial risk that stop-loss orders left to protect open positions held over the weekend will be executed at levels significantly worse than their specified price.
- (g) **Electronic trading.** Trading in OTC contracts through the FXCM Online Facility may differ from trading on other electronic trading systems as well as from trading in a conventional or open market. Customers that trade on an electronic trading system are exposed to risks associated with the system including the failure of hardware and software and system down time, with respect to the FXCM Online Facility, the individual customer's systems, and the communications infrastructure (for example the internet) connecting the platform with customers.
- (h) **Contingent liability transactions,** which are margined, require you to make a series of payments against the purchase price, instead of paying the whole purchase price immediately. You may sustain a total loss of the Margin you deposit with your dealer to establish or maintain a position. If the market moves against you, you may be called upon to pay substantial additional Margin at short notice to maintain the position. If you fail to do so within the time required, your position may be liquidated at a loss and you will be liable for any resulting deficit. Even if the Transaction is not margined, it may still carry an obligation to make further payments in certain circumstances over and above any amount paid when you entered into the contract. Contingent liability transactions, which are not traded on or under the rules of a recognised or designated investment exchange, may expose you to substantially greater risks.
- (i) **Collateral.** If you deposit collateral as security, you should ascertain how your collateral will be dealt with. Deposited collateral may lose its identity as your property once dealings on your behalf are undertaken. Even if your dealings should ultimately prove profitable, you may not get back the same assets, which you deposited and may have to accept payment in cash.
- (j) **Commissions.** Before you begin to trade, you should obtain details of all commissions and other charges for which you will be liable. If any charges are not expressed in money terms (but, for example, as a dealing spread), you should obtain a clear written explanation, including appropriate examples, to establish what such charges are likely to mean in specific money terms.
- (k) **Insolvency.** Any insolvency or default may lead to positions being liquidated or closed out without your consent. In certain circumstances, you may not get back the actual assets, which you lodged as collateral and you may have to accept any available payment in cash. Additionally you transfer full ownership and title to a portion of the money you deposit with FXCM representing an amount necessary to secure your open positions which will be calculated daily in FXCM's sole discretion based on your daily open positions and which may be greater than the Margin required to maintain your open positions, as market conditions may dictate, such that you will not have a proprietary claim over that portion of money and that portion will not be segregated and you will rank only as a general creditor of FXCM with respect to any claim for the payment of such portion of the above described money you deposit which may therefore be irrecoverable in the event of any insolvency or default.

You should only engage in precious metals, CFD, Spread Betting, or Rolling Spot Forex trading if you are prepared to accept a high degree of risk and in particular the risks outlined in the Risk Warning Notice. You must be prepared to sustain the total loss of all amounts you may have deposited with your firm as well as any losses, charges (such as interest) and any other amounts (such as costs) we incur in recovering payment from you.

2. Services
 - 2.1 We deal with you only after you have requested a quote for a CFD Contract, we have quoted a price and you have given a specific instruction or Order to open a CFD Contract at the price quoted by us.
 - 2.2 You acknowledge and agree that unless otherwise agreed in writing you will not be entitled to delivery of, or be required to deliver, the Investment to which a CFD relates nor will you acquire any interest in the relevant Investment or be entitled to receive dividends or any equivalent thereof, to exercise voting rights, to receive any rights pursuant to any rights or bonus issue or to participate in any placing or open offer by virtue of your CFD position in respect of a Contract Investment which is a Security. The payment of any dividend or occurrence of any rights or bonus issue, placing, open offer or take-over in respect of a Security shall be dealt with in accordance with these Terms of Business.
3. Obtaining a Quote and Order Placement
 - 3.1 At any time which you wish to enter into a CFD Contract, or to close all or part of a CFD Contract, you may request a quote to open a CFD Contract with FXCM during the normal hours of trading for the relevant Contract Investment.  - 3.2 CFD Contracts will be initiated by you placing an Order offering to enter into a CFD Contract in respect of a Contract Investment at the price quoted to you.
 - 3.3 Each Order must be an instruction to 'buy' or 'sell'. A 'buy' CFD Contract may also be referred to as a 'long' or 'long position' and a 'sell' CFD Contract may also be referred to as a 'short' or 'short position'.
4. Acceptance of Orders and Opening of CFD Contracts
 - 4.1 You may cancel your Order at any time by notice to us unless and until the Order has been executed in whole or in part, only if the order is an Entry Order ("Entry Order" means an order to enter the market at a specific price). If an Order has been executed in whole or in part it will not be possible for you to cancel the Order to the extent that the Order has been executed. If an Order is a Market Order ("Market Order" means an order to enter the market at the best current price), it will not be possible for you to cancel the Order at any time.

If the new position is greater in size than the existing position, then the existing position will be closed in full and a CFD Contract opened in relation to the excess size of the new position.

4.3 For accounts using the "Hedging" setting: You may open a position by providing us with an Order. Your request to open a new position will not close current open positions.

5. Closing a CFD Contract

Any amounts payable by either party to the CFD Contract are immediately due and payable on closing and shall be paid on the Contract Settlement Date.

5.5 In addition to our rights at clause 22 of these Terms of Business and our rights pursuant to clause 5.1 of this Schedule to serve a Closing Notice, FXCM may close any CFD Contract in its sole discretion at any time without notice in the event that:

5.5.1 it is a 'sell' CFD Contract, and due to illiquidity in the relevant Contract Investment we are unable to borrow a sufficient number of such Contract Investments to settle any underlying hedge position in respect of the CFD Contract; or

5.5.2 we are required, at any time, by a lender to return any Contract Investment borrowed by us which relates to a CFD Contract and we are then unable to maintain a hedge position in respect of that CFD Contract; or

8. Adjustments, Take-Over Offers & Suspension

- 8.1 If any Securities becomes subject to possible adjustments as the result of any of the events set out in clause 8.2 below, we shall determine the appropriate adjustment, if any, to be made to the Current Contract Value or Contract Quantity of any related CFD Contract to account for the dilutive or concentrative effect as necessary to preserve the economic equivalent of the CFD Contract prior to the relevant event or to reflect the effect of the event on the relevant Securities such adjustments will be effective as of the date determined by us.

 - 1.1 This Schedule supplements and amends the Terms of Business as expressly provided below. Defined terms in the Terms of Business shall be assigned the same meaning in this Schedule. In the event of any conflict or inconsistency between the Terms of Business and this Schedule the provisions in this Schedule shall prevail. You acknowledge and agree that, by executing the signature page of these Terms of Business, you agree to be bound by the terms of this Schedule.
 - 1.2 This Schedule governs the relationship between you and FXCM when you enter into a Spread Bet contract with FXCM.
2. Services
 - 2.1 We deal with you only after you have requested a quote for a Spread Bet, we have quoted a price and you have given a specific instruction or order to open a Spread Bet at the price quoted by us.
 - 2.2 You acknowledge and agree that unless otherwise agreed in writing you will not be entitled to delivery of, or be required to deliver, the Investment to which a Spread Bet relates nor will you acquire any interest in the relevant Investment or be entitled to receive dividends or any equivalent thereof, to exercise voting rights, to receive any rights pursuant to any rights or bonus issue or to participate in any placing or open offer by virtue of your Spread Bet position in respect of a Spread Bets Investment which is a Financial Instrument. The payment of any dividend or occurrence of any rights or bonus issue, placing, open offer or take-over in respect of a Financial Instrument shall be dealt with in accordance with these Terms of Business.
3. Obtaining a Quote and Order Placement
 - 3.1 At any time which you wish to enter into a Spread Bet, or to close all or part of a Spread Bet, you may request a quote to open a Spread Bet with FXCM during the normal Market hours of trading for the relevant Spread Bet Investment. FXCM may provide quotes in its sole discretion outside normal hours of trading if requested by you. Spread Bets will be initiated by you placing an Order offering to enter into a Spread Bet in respect of a Spread Bet Investment at the price quoted to you. Each Order must be an instruction to 'buy' or 'sell'. A 'buy' Spread Bet may also be referred to as a 'long' or 'long Spread Bet' and a 'sell' Spread Bet may also be referred to as a 'short' or 'short Spread Bet'. FXCM shall have discretion to reject any Order given to it by you.
4. Acceptance of Orders and Opening of Spread Bets
 - 4.1 You may cancel your Order at any time by notice to us unless and until the Order has been executed in whole or in part, only if the order is an Entry Order ("Entry Order" means an order to enter the market at a specific price). If an Order has been executed in whole or in part it will not be possible for you to cancel the Order to the extent that the Order has been executed. If an Order is a Market Order ("Market Order" means an order to enter the market at the best current price), it will not be possible for you to cancel the Order at any time.
 - 4.2 **Stake Size:** We may stipulate maximum and minimum stake sizes from time to time and we reserve the right to vary such stipulations according to Market conditions.
 - 4.3 **Rolling Spread Bets:** A Spread Bet may be placed on certain markets notified by FXCM from time to time which will remain open and rolled over each trading day until you give instructions that the open Spread Bet be closed (a "Rolling Spread Bet"). Each trading day that the Rolling Spread Bet remains opened its price is adjusted with reference to the Spread Bet Investment Market price.
 - 4.4 For the purposes of determining Contract note requirements and Margin requirements under these Terms of Business the Rolling Spread Bet shall be deemed to be a single Spread Bet which is opened when the Rolling Spread Bet is first opened and closed following your instructions to close the Rolling Spread Bet.
 - 4.5 FXCM reserves the right to discontinue a rolling Market facility at any time. FXCM will notify you as soon as is reasonably practicable should it decide for whatever reason to discontinue the roll over facility.
5. Closing a Spread Bet
 - 5.1 An Open Spread Bet will automatically close on the Expiry Date at the Settlement Price. A Spread Bet may be closed by you at any time prior to Expiry Date when FXCM is able to quote a Settlement Price to do so. FXCM will normally be able to quote prices during trading hours of the relevant underlying Market.
 - 5.2 FXCM may close any Spread Bet in any circumstances and in the manner expressly provided for in these Terms of Business.

- 5.3 In addition to our rights at clause 22 of these Terms of Business, FXCM may close any Spread Bet in its sole discretion at any time without notice in the event that:
- 5.3.1 it is a 'sell' Spread Bet, and due to illiquidity in the relevant Spread Bet Investment FXCM are unable to borrow a sufficient number of such Spread Bet Investment to settle any underlying hedge position in respect of the Spread Bet;
 - 5.3.2 we are required, at any time, by a lender to return any Contract Investment borrowed by us which relates to a Spread Bet and we are then unable to maintain a hedge position in respect of that Spread Bet;
 - 5.3.3 at any time we are unable to establish or maintain a hedge position in respect of a Spread Bet;
 - 5.3.4 you fail to honour a Margin Call Warning in accordance with clause 15 of these Terms of Business;
 - 5.3.5 a Force Majeure Event occurs; or
 - 5.3.6 these Terms of Business are terminated.

6. Adjustments, Take-Over Offers & Suspension

- 6.1 If any Spread Bet Financial Instrument has become the subject to possible adjustment as the result of the events set out in clause 6.2 below, we shall determine the appropriate adjustment, if any, to be made to the value or price of that Financial Instrument and the related Spread Bet to preserve the economic equivalent of the rights and obligations under the Spread Bet immediately prior to that event, to be effective as of the date determined by us. Notice of any adjustment under this clause shall be given to you as soon as reasonably practicable after the determination thereof and such notice shall be conclusive and binding in the absence of Manifest Error.
- 6.2 The events to which clause 6.1 above refers may include without limitation the declaration by the issuer of the Spread Bet Financial Instrument of the terms of any of the following;
- 6.2.1 a sub-division, consolidation or reclassification of the Financial Instrument, or a free distribution of shares to existing holders by way of bonus, capitalisation or similar issue;
 - 6.2.2 a distribution to existing holders of the underlying shares of additional shares, other share capital or Financial Instrument granting the right to payment of dividends and/or proceeds of liquidation of the issuer, or Financial Instrument, rights or warrants granting the right to a distribution of shares to purchase, subscribe, or receive shares in any case, for payment (in cash or otherwise) at less than the prevailing Market price per share;
 - 6.2.3 any event in respect of the Financial Instrument analogous to any of the foregoing events or otherwise having a dilutive or concentrative effect on the Market value of the shares.
- 6.3 If at any time a "Merger Event" (as defined below) occurs or a Take-over Offer is made in respect of any relevant Spread Bet Financial Instrument, then on or after the date of the Merger Event or at any time prior to the closing date of such Take-over Offer, a "Calculation Adjustment" (as defined herein) may be made. Calculation Adjustment means that we shall either:
- 6.3.1 make such adjustment to the exercise, settlement, payment or any other terms of the Contract as we may determine is appropriate to account for the economic effect, if any, on the Spread Bet Financial Instrument of such Merger Event or Take-over Offer (provided that no adjustments will be made to account solely for changes in volatility) expected dividends, stock loan rate or liquidity relevant to the Spread Bet Financial Instrument or to the Contract, which may, but need not, be determined by reference to adjustment(s) made in respect of such Merger Event or Take-over Offer by an Exchange to futures or options on the relevant Spread Bet Financial Instrument traded on such Exchange; or
 - 6.3.2 determine the effective date of that adjustment (if any).
- 6.4 If we determine that no adjustment could be made under clause 6.2 above which would produce a commercially reasonable result, we will issue a Closing Notice to you. The date of such notice will be the Closing Date. The Closing Price shall be such price as is notified by us to you. For the purposes of this clause Merger Event means in respect of any Spread Bet Investment:

- 6.4.1 any reclassification or change of the Spread Bet Financial Instrument that results in a transfer of or an irrevocable commitment to transfer all outstanding Financial Instrument of the same class as the Spread Bet Financial Instrument to another entity or person, whether by consolidation, amalgamation, merger or binding share exchange of the issuer of the relevant Spread Bet Financial Instrument with or into another entity or person (other than a consolidation, amalgamation, merger or binding share exchange in which such issuer is the continuing entity and which does not result in a reclassification or change of all such Spread Bet Financial Instrument outstanding);
- 6.4.2 Take-over Offer of the outstanding Spread Bet Financial Instrument of the issuer that results in a transfer of or an irrevocable commitment to transfer all of them (other than Spread Bet Financial Instrument already owned or controlled by such other entity or person); or
- 6.4.3 consolidation, amalgamation, merger or binding share exchange of the issuer of the relevant Spread Bet Financial Instrument or its subsidiaries with or into another entity in which the issuer is the continuing entity and which does not result in a reclassification or change of all such Spread Bet Financial Instrument but results in the outstanding Spread Bet Financial Instrument (other than Spread Bet Financial Instrument owned or controlled by such other entity) immediately prior to such event collectively representing less than 50% of the outstanding Spread Bet Financial Instrument immediately following such event (a "Reverse Merger").

7. Nationalisation and Insolvency

- 7.1 If all the shares, or all or substantially all the assets, of an issuer, a Financial Instrument of which represents all or part of the Spread Bet Financial Instrument of a Spread Bet, are nationalised, expropriated or are otherwise required to be transferred to any governmental agency, authority, entity or instrumentality thereof, the day on which such event occurs, or is declared shall be the Closing Date. The Closing Price shall be such price as is notified by us to you.

8. Exchange Suspensions and Delisting

- 8.1 If at any time trading on a regulated Market is suspended in any Spread Bet Financial Instrument which forms the subject of a Spread Bet we shall calculate the value of the Spread Bet with reference to the last traded price before the time of suspension, or the Closing Price if no trading in that Financial Instrument is undertaken during the Business Day on which a suspension occurs. In the event that the aforesaid suspension continues for five (5) Business Days, we and you may in good faith agree a Closing Date and a value of the Spread Bet. In the absence of such agreement, the Spread Bet shall remain open in accordance with the provisions of this clause until such time as the aforesaid suspension is lifted or the Spread Bet is otherwise closed. During the term of a Spread Bet whose Contract Investment is suspended we have the right to terminate the Spread Bet at our discretion and to amend or vary Margin requirements and Margin rates.
- 8.2 If a Regulated Market (as defined in the FSA's Rules) on which a Spread Bet Financial Instrument is principally traded announces that pursuant to the rules of such Market the relevant shares have ceased (or will cease) to be listed, traded or publicly quoted on the Market for any reason (other than a Merger Event or Take-over Offer) and are not immediately re-listed, re-traded or re-quoted on the Market or quotation system located in the same country as the Market (or where the Market is within the European Union, in any member state of the European Union), or already so issued, quoted or traded the day on which such event occurs, or (if earlier) is announced shall be the Closing Date. The Closing Price will be such price as notified by us to you.

9. Calculations

We shall determine any Closing Price required as soon as reasonably practicable after the Closing Date to reflect the economic effect (and anticipated economic effect) on us of the event giving rise to the Closing Date including (without limitation):

- 9.1 the effect (and anticipated effect) of such event on the value, transferability, liquidity and/or volatility of the Spread Bet Investment;
- 9.2 the effect (and anticipated effect) of such event on any hedge, contract or other trading position relating to the Spread Bet which we have or have had in place, or may reasonably have put in place;
- 9.3 the effect (and anticipated effect) of such event on the value, transferability, liquidity and/or volatility of such hedge, contract or other trading position; and
- 9.4 any costs we incur (and anticipate incurring) in terminating, liquidating or re-establishing any hedge, contract or other such trading position we have or have had in place.

LIMITED POWER OF ATTORNEY

The undersigned account holder(s) ("Trader") authorises:

Account Number (required for existing accounts*): _____ *Reference "Temporary ID" for New Accounts

Trading Agent _____, **its agents, successors and assigns (the "Trading Agent")**

Trading Agent ID (if any) _____ (Trading Agent should also complete a copy of the Client Agreement, subject to compliance review)

As agent and attorney-in-fact to manage the Client's account and risk through the purchase and sale of precious metals, FX, CFD's and, only if the Client is a UK or Ireland resident, spread bets (the "Margined Transactions") or otherwise for the undersigned's account and risk. **The Client hereby agrees to indemnify and hold FXCM, its affiliates, employees, agents, successors and assigns harmless from and against any and all liabilities, losses, damages, costs and expenses, including attorney's fees, arising there from.**

FXCM is authorised to follow the instructions of the aforesaid agent in every respect concerning the Client's account with FXCM, except that said agent is not authorised to withdraw any money, securities, or other property either in the name of the undersigned or otherwise. **Such agents are not employees of FXCM, and act as agents for the Client, and as such, it is the Client's responsibility to request from the Trading Agent statements on account status and details regarding the overall management of the account, and the undersigned Trading Agent is obligated to provide, upon the Client's request, such account information and account statements using report features as provided by FXCM.**

The aforesaid agent represents that he has all of the applicable required government approvals, licenses, and permits, including but not limited to, if applicable, registration with the FSA.

The type of management modules: Percentage Allocation Management Module (PAMM) or Lot Allocation Management Module (LAMM) used by the Trading Agent is at the discretion of the Trading Agent. Clients on the PAMM may be restricted from making any account transactions until the end of the following business day. Depending on management module selected, the client may receive limited intraday reports of the activity that occurred on the account. The margin setting is also at the discretion of the Trading Agent pending FXCM review.

Because the risk factor associated with trading in the Margined Transactions market is high, only genuine "risk" funds should be used in such trading. If the Client does not have the extra capital the Client can afford to lose the Client should not trade in the Margined Transactions market. The Client understands that the Trading Agent may use an electronic trading system to generate trades, which exposes the Client to risks associated with the use of computers, and data feed systems relied on by FXCM. The Client agrees to accept such risks, which may include, but are not limited to, failure of hardware, software or communication lines or systems and/or inaccurate external data feeds provided by third-party vendors. No "safe" trading system has ever been devised, and no one can guarantee profits or freedom from loss. In fact no one can even guarantee to limit the extent of losses.

Even though the Client granted trading authority to another, The Client should be diligent to closely scrutinise what transpires in the account. FXCM shall send the Client a confirmation of every trade made for the account and any transactions on the account, and a profit and loss statement showing the financial results of each transaction closed out for the account. In lieu of sending trade confirmation and/or account activity via postal mail, FXCM will provide Client access to view his account at any time using the Internet with an online login. FXCM shall make statements available showing the ledger balance, the exact positions in the account, the net profit or loss in all contracts closed for the given period, and the net unrealised profit and loss in all open contracts figured to the market. The Client should carefully review these statements on a daily basis, and if the Client has any questions, he will contact FXCM immediately. Any discrepancies on account statements must be reported to FXCM, in writing, within 24 hours of its occurrence.

The Client and Trading Agent may revoke or terminate the trading authority over the Client's account at any time only upon written notice to FXCM. In the event that FXCM receives such written notice from the Client or Trading Agent, FXCM will notify the other party to this agreement of the revocation or termination. FXCM may also terminate the Trading Agent's trading authorisation over the Client's account at any time for any reason in its sole discretion. In the event FXCM terminates the Trading Agent's trading authorisation over the Client's account, FXCM will provide written notice to both the Client and the Trading Agent.

This authorisation and indemnity is a continuing one and shall remain in full force and effect until revoked by the Client by a written notice addressed to FXCM and delivered to FXCM at the office where the Client's account is carried, but such revocation shall not affect any liability in any way resulting from transactions initiated prior to such revocation. This authorisation and indemnity shall inure to the benefit of FXCM and that of FXCM's agents, successors and assigns. This authorisation and indemnity shall further inure to the benefit of Trading Agent and of any successor Trading Agent, irrespective of any change or changes at any time in the personnel thereof for any causes whatsoever, and of the assigns of Trading Agent or any successor Trading Agent.

FXCM does not endorse or vouch for the services provided by the Referring Broker or Trading Agent. Since Referring Broker is not an employee or agent of FXCM, it is the account holder's responsibility to perform necessary due diligence on the Referring Broker or Trading Agent prior to using any of their services.

The Client hereby ratifies and confirms any and all transactions with FXCM heretofore and hereafter made by the aforesaid Trading Agent on behalf of or for the Client's account. The Client hereby ratifies and confirms that he/she has agreed to pay the following commissions, management, performance, profit sharing, referral, research, and/or incentive fees (each individually and/or collectively, the "Fees"): according to the following terms:
