****Cryptocurrencies are not available for Retail Clients under FXCM LTD.**

FXCM aims to open and close markets as close to the posted trading hours as possible, however the lack of liquidity at or around market open and close for any CFD instrument can impede execution and price delivery. FXCM may delay market open or bring forward market close on specific instruments in an effort to protect clients from quoted prices or executions that are not representative of the true market price.

All times are in GMT.
